

Town of Spring Green Board Meeting

March 12, 2009

Town Board members will host a public meeting for the following:

River Valley Flood Control Project Study

The Town of Spring Green will host a public information meeting to present the final findings of its River Valley Flood Control Investigation Project. The meeting will be held on Thursday, March 12, 2009 beginning at 7 p.m. at the River Valley High School, Little Theater, 660 Varsity Blvd. Spring Green, WI.

On August 23, 2008 Town Residents voted to authorize the Town Board to proceed with a Flood Control Project Study. The Town Board contracted with Jewell Associates Engineers and Montgomery Associates to investigate the causes of the 2008 flood and potential methods of avoiding a repeat of the damage and destruction to farms, homes and businesses that occurred in 2008.

This meeting will be the final presentation of Jewell's findings and will outline proposal and alternatives for construction and financing.

Decisions and/or actions may be taken.

Noticed March 6, 2009

Benny Stenner, Chairman

NOTE: It is possible that members of and possibly a quorum of members of other governmental bodies of a municipality or county may be in attendance at the above stated meeting to gather information; no action will be taken by any governmental body at the above meeting other than the governmental body specifically referred to above in this matter
