

Minutes of the Annual Road/Ditch Tour of the Town of Spring Green

Proceedings of the Town of Spring Green Town Board – Annual Road/Ditch Tour, held at 3:45 pm on Tuesday, April 9, 2019 at the Town Hall located at E4411 Kennedy Road, Spring Green, Wisconsin:

Annual Road/ Ditch Tour April 9th 2019

Time started 3:45pm Present Kevin Lins, Carla Carmody, Dave Radel, Andrew Shiminok

The following roads were viewed and the recommendations noted.

1. The curve on corner of Jennifer LN and Carlos Road. Need to improve view around curve, this will require dirt work.
 2. Viewed spin alert sign on Kennedy Rd. Curve.
 3. Viewed boat landing.
 4. Viewed ATV/UTV crossing on Porter Rd. The road surface edge is breaking away.
 5. View Peck Rd. from Mercer to JJ. Wedging is needed were road is badly broken up.
 6. (A) Viewed Ag drive on Peck Rd. north of JJ. Building inspector to inspect. Possible wedging needed in this same area.
(B) Gravel needs to be removed from road right of way. Property owner to be notified
(C) Extend curvet Peck Rd. at driveway of Gordy Esser 24" x 8ft
 7. Viewed Dyke Rd. north of JJ, wedging needed near wind mill on west side.
 8. Viewed Paulus Rd. Need to have Scott Const. look at seal coating that is coming off.
 9. Viewed Fisher rd. Culvert needs to be extended 6-8ft.
 10. (A) Viewed Weidner Rd. need wedging near Olson driveway 200-300ft needed to Berry driveway.
(B) Patch pot holes.
(C) Wedge at turn a round at Weidner house.
 11. Viewed Wilson Creek Rd. Patch pot holes with possible wedging in spots.
 12. (A) Viewed Butternut Rd. Needs to be chop sealed over wedging done in 2017
(B) Have Scott Construction review other areas of the road.
 13. Viewed Neuheisel Rd. Need to seal coat over wedging done in 2018.
 14. Viewed Rainbow Rd. Need to patch bad spots in the road.
 15. Ditch tour, found the ditch to be very wet, and full of Cattails Need to remove trees remove ditch checks north of HWY 14.
- Tour ended at 6:30pm.
