Proceedings of the Town of Spring Green Special Board Meeting, held at 7:00 pm on Tuesday, April 23, 2019 at the Town Hall located at E4411 Kennedy Road, Spring Green, Wisconsin:

1. **Call to Order:** Kevin Lins, Town Chairman called the meeting to order at 7:02 pm.
2. **Legal Posting:** Lins, certified compliance with the open meeting law.
3. **Roll Call:** Members present were Kevin Lins, Chairman, Supervisor Dave Radel and Supervisor Carla Carmody. Also present were: Carol Bindl, Jerry Bindl, Dave Terpstra, Dennis Polivka, Jeff Sprecher, Jim Sprecher, Caryl Sprecher, Michael Bindl, Jason Sprecher, Jeff Freel, Dennis Hackl, Doug Brander, Jan Montgomery, Rudy Montgomery, Joe Hartung, Bruce Lenz, Chad Johnson, Dustin Sutcliffe, Jr Marshall, and two others whose names are illegible on the sign-in sheet.
4. **Adopt Agenda:** Radel motioned to adopt the agenda as presented, Carmody seconded. Motion carried.
5. **Public Comment:** Chad Johnson read state statutes for town authorities and oath of office, he proceeded to explain how potholes in Mercer Road caused damage to his vehicle to which it had to be towed, asked for Chairman's resignation. Plugged culvert caused water to go to the West and flooded a lot of people and caused damage.

Rudy Montgomery commented he would like Mercer road fixed.

Jeff Sprecher commented on weight limits. Needs gravel and Cement hauled in for a project, they have been planning since fall. Would also like to see Mercer re-done to original specifications in TRID project.

Jason Sprecher asked about culver at road by his home.

Dennis Ploivka asked if both Supervisors had seen the original TRID project paperwork and thought it would be appropriate for both supervisors to be able to look over the plan prior to approval.

Andy Shimniok commented on his progress with patching, and also explained patch is hard to find now as it is typically not available until May. Brad and Andy have put 2 tons of patch on Mercer Road up to now. Andy also stated, he has a lot of other projects going on right now too, that need attention.

6. **Discussion/possible action regarding potholes and weight restrictions on Mercer Road:** Lins stated checking was done prior to the original TRID project for Mercer Road and Mercer Road was chip sealed from Porter road to County Line Road. Lins answered Jason Sprecher's question about the sizes of culverts needed there and at other driveways. Lins also stated the original TRIP project was scheduled for 2016 and would now be over \$100,000.00 more. It would be over \$1 million if additions were made such as 1 foot base added. Deadline for the project is 2021, therefore, it has to be done in 2019 or 2020. Weight restrictions were addressed next, with Jeff Sprecher commenting he needs about 15 loads of whey which are hauled with a tandem axle vehicle with floatation tires, along with cement and gravel for a project. It was agreed upon that the board cannot stop everyday operations. Carmody suggested closing Mercer Road to local traffic only to

keep the volume down on the already beaten up road. It was agreed upon the Mercer Road would be closed to local traffic only. Lins also stated Fred Gruber has already marked Ag driveways for the TRID project. Jeff Sprecher asked if he could replace the culvert under his driveway that is in the right of way. Lins commented he could not do that. Mercer Road TRID Project will run from County Line Road to Dyke Road and will meet state standards with 20' wide base and 3 foot gravel shoulders.

7. **Adjourn:** Radel made a motion to adjourn. Carmody seconded motion. Meeting was adjourned at 7:47.
